

COUNTER TERRORISM & POLICE TRAINING DIVISION

SPECIALIST SURVEILLANCE, FIREARMS, POLICE AND MILITARY SKILLS TRAINING DELIVERED BY WORLD LEADERS IN THE FIELD

INZPIRE'S EXPERTS DELIVER THE GOLD STANDARD IN SURVEILLANCE AND SECURITY FORCES TRAINING THAT WILL STRENGTHEN THE CAPABILITY AND PERFORMANCE OF DEFENCE AND POLICE

Terrorism is a threat that now faces all countries. The often complex networks behind terrorist acts are very difficult to find and defeat. Inzpire's experts have world leading skills and experience that will strengthen security forces' skills. This will improve the ability to detect, combat and bring to justice those that would threaten safety and security. Our team were fundamental to the UK's preparation for the 2012 Olympic games, and are drawn from the highest calibre counter-terrorism (CT) units the UK possesses. This includes Military Special Forces and New Scotland Yard's Metropolitan Police Counter-Terrorism and Covert Intelligence Units.

- Team prepared UK for London's 2012 Olympics
- World leaders in surveillance and firearms integration
- Commitment to enduring support and mentoring

WORLD LEADERS

With 100s of years' worth of police and military experience plus our range of over 40 police and military skills courses, Inzpire offers world-class training. Always at the forefront of developing new tactics and training Inzpire's team can offer training ranging from combating Marauding Terrorist Firearms Attacks to Bomb Scene Management / Forensic Crime Scene Management. Experienced in delivering training in the UK and abroad, we will analyse and respond to the individual needs of the student, as well as adapt tactics to suit local cultures and conditions.

SURVEILLANCE

Inzpire's team are leaders in the surveillance field. We can deliver training from basic principles to the most advanced surveillance techniques, including the integration of mobile firearms teams. We cater for all environments, whether the requirement is for mobile surveillance or covert observation posts, we deliver training for urban, sub-urban and rural settings. Our commitment to continued support and mentoring mean that quality is not only achieved, but sustained - legacy is as important to Inzpire as initial training.

- Latest forensic and biometric techniques ensure evidential procedures are secure
- Covert foot surveillance, mobile surveillance and combined techniques offered
- Essential counter and anti-surveillance skills
- Broader capabilities such as armed Rural Surveillance, vehicle tracking, technical surveillance, surveillance photography
- Advice, training and equipping for development of secure, effective operations rooms

FIREARMS TRAINING

Inzpire can train from basic levels through to advanced skills such as Active Shooter, Hostage Rescue and training to combat the complex threat of the Marauding Terrorist Firearms Attack. VIP convoy protection, anti-ambush and anti-hijack driving skills form more bespoke firearms based courses offered by the experts at Inzpire.

- Integration of Counter-Terrorism disciplines key to power of security forces
- Mobile Armed Support to Surveillance Team training is world class
- Deliver capability for swift, coherent and potent responses to threats

COLLECTIVE TRAINING

Inzpire's team have led the design and implementation of large scale multi-agency CT Exercises. These were fundamental to building and testing readiness of the UK's security forces leading up to the 2012 London Olympic Games.

- Tests interoperability between CT partners: Police, Military and Security Services
- Command and Control elements are fully exercised
- Operations Room staff through to senior decision makers tested
- Enable commanders to prepare for rapidly developing CT situations
- Prepare for response post incident, including tasking and organising for 'manhunt' style investigations
- Exercises constantly evolve to meet the threat

POLICE AND MILITARY SKILLS

Courses can be tailored to meet specific needs or a portfolio can be provided. These include training for Close Quarter Battle and Close Quarter Combat and hostage rescue. Further areas such as Post Incident Management, Maritime Intervention and Sky Marshalls are also covered.

- All tradecraft tried and tested on operations
- Instructors are current and qualified to the highest standards
- Team has delivered training in UK and abroad

Inzpire's team are world leaders in Counter Terrorism training, with hundreds of years' worth of experience in surveillance, CT operations, firearms and instructing. From basic levels through to advanced capabilities Inzpire's training can ensure security forces are highly effective, efficient and able to act in a rapid and synchronised way. In an age of uncertain threats, we offer the certainty of exceptional training and the guarantee of **'success through excellence'**.
